WHAT IS CONCONNECT?

ConConnect is a web site

https://www.afmc-mil.wpafb.af.mil/HQ-AFMC/PK/pkp/pkpc/connect.htm

- **Purpose is to identify, analyze and recommend business choices to customers**

- **Web based tools**
  - **ConConnect Decision Tree**
  - **ConConnect Data Base for AFMC ID/IQ Contracts**

DECISION TREE

For new requirement, Decision Tree flow chart will help you decide when to

- **Write your own contract?**
- **Write a lead contract that others can use?**
- **Use an existing AFMC/AF contract?**
- **Use a contract vehicle outside AFMC/AF?**

CONCONNECT DATA BASE

- **Data Base lists all AFMC contracts which permit ordering by other organizations**
  - **Search by Service/Commodity, DoDAN or FSC/SVC**
  - **Has ordering period, scope & authorized users**
  - **Some contracts may only be used at one site**
- **Each center must input contract information**
  - **Sites appoint POC's for data input and integrity**
  - **Standard protocol for entering data**
- **Also use as market research tool to determine if other orgs buying similar supplies/services**

THE REST OF THE STORY

- **Links to AF Knowledge Management (AFKM)**

- **Possible future enhancements**
  - **Include solicitations**
  - **Include all AF (non-AFMC) contracts**
  - **Provide links to GSA, Other Services/Agencies**
  - **Public web site**
